Dear Sir/Madam,

Further to the requirement for submissions concerning the Accompanied Site Inspection (ASI) in deadline 2 of the Rule 8 letter dated 16 April 2019, I can confirm as follows on behalf of Fylde Borough Council:

1. As the date for the ASI is identified in Annex A of the ExA's letter as "**Tuesday 2 July 2019**", it is assumed that the reference in paragraph 2.1.1 of the Applicant's document 7.8 "Accompanied Site Inspection (ASI) Information Pack" to the ASI taking place on "**Monday 2<sup>nd</sup> July 2019**" is in error. That notwithstanding, the Council is satisfied that the ASI itinerary presented by Highways England in document 7.8 captures the principal viewpoints identified in Annex B of the ExA's Rule 8 letter, along with other important viewpoints. Accordingly, FBC does not wish to suggest any additional locations for site inspections.
2. Two officers from FBC – Matthew Taylor and Mark Evans – wish to attend the ASI scheduled for Tuesday 2<sup>nd</sup> July. It is envisaged that both officers will attend the full list of sites mentioned in the Applicant's itinerary.

I trust that this clarifies FBC's position concerning the ASI. I would be grateful if you could confirm that it is possible (and appropriate) for two officers from FBC to attend the ASI to avoid any wasted journeys.

Kind regards,

Matthew
