Dear Michele

The Applicant's responses to the Local Impact Reports prepared by Wyre Borough Council, Fylde Borough Council and Lancashire County Council are enclosed (**Document reference TR010035/APP/7.19**).

2 Documents requested by the Examining Authority

The following updated documents are enclosed:

- Crown Land and Consents (**Document reference TR010035/APP/7.17**);
- Schedule of CA and TP Objectors (**Document reference TR010035/APP/7.13**);
- Schedule of Statutory Undertakers Land and Rights (**Document reference TR010035/APP/7.14**);
- Schedule of Statutory Undertakers Apparatus (**Document reference TR010035/APP/7.15**);

Please note that these documents remain unchanged to those submitted at Deadline 2.

3 Statements of Common Ground

Since Deadline 2, the Applicant has engaged with the parties with whom a Statement of Common Ground has yet to be completed and encloses a document setting out the progress made with each (**Document reference TR010035/APP/7.7**). Given the short time period between Deadlines 2 and 3, there are few changes to the draft statements and the Applicant accordingly does not propose to resubmit them at this time.

4 Written Representations

The Applicant's comments on the written representations submitted to the Examining Authority at Deadline 2 are enclosed (**Document reference TR010035/APP/7.18**).

5 Comments on Responses to Examining Authority's Written Questions

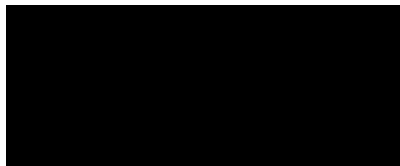

The Applicant's comments on responses to the Examining Authority's Written Questions are enclosed (**Document reference TR010035/APP/7.20**).

6 Application Document Tracker

In order to assist the Examining Authority and Interested Parties to navigate the Applicant's submissions and to explain where application documents are superseded, the Applicant has updated and encloses the Application Document Tracker (**Document reference TR010035/APP/1.4**). This version supersedes the version submitted at Deadline 2.

If you have any queries or require anything further please let me know.

Yours sincerely

David Hopkin
