Dear Sirs

We are in receipt of your letter of the 16<sup>th</sup> August 2019 and note the changes to the examination and timetable. We have also noted under Annex A Item 19 that there is a deadline of Wednesday 21st August 2019 for comments on the applicant's revised draft DCO.

We have also referred to the additional written questions published on the 19<sup>th</sup> August and would comment in respect of Item 3.2.12. This concerns a temporary use of land.

I am agent acting on behalf of Messrs Ditchfield who are the freehold owners of Plots 7/07A and 7/07B and 7/07C. We have repeatedly requested from Highways England information as to the nature of any works or the use of those plots which are to be used temporarily. The only information we have received has been to identify works which are taking place on the northern side of the proposed improved road and would not we therefore think affect those plots. Please can you request that Highways England identify for the landowners the use to which their land is going to be put whilst temporary occupation is taken.

We look forward to hearing from you,

Yours sincerely,

**Paul D Dennis FRICS FAAV**
