Dear Mr Legge

**A585 Windy Harbour to Skippool Improvement Scheme ("the Scheme")**

I refer to our previous correspondence in connection with the above matter.

As you are aware, Highways England needs to acquire the following plots of land from you in order to implement the Scheme:

- Plot 1/04
- Plot 1/04a
- Plot 1/04b

You have indicated that you are prepared to enter into discussions regarding Highways England purchasing your land by negotiated agreement.

Following further engagement with various statutory bodies, Highways England has been requested to make changes to the Scheme within the vicinity of your land, including construction of a dwarf wall and widening of the northern footway/cycleway from Skippool Road. The dwarf wall will provide flood protection and the widening of the footway/cycleway will accommodate the diversion of utilities. The proposed changes are shown on the enclosed drawing (HE548643-ARC-LLO-SZ\_ZZ000DR-D-3079).

You will see that, in order to carry out the changes, Highways England will need to extend the area for permanent acquisition slightly, increasing its area from 160 square metres to 212 square meters. Please can you confirm by return that you are agreeable to this change and Highways England purchasing the larger area from you by signing and returning the enclosed copy of this letter?

If you have any queries about this correspondence, please do not hesitate to contact me using the details provided below. Alternatively, you can contact the Public Liaison Officer for the Scheme, Helen Batey (Helen.Batey@arcadis.com, 01925 800833).

I will look forward to hearing from you.

Yours sincerely,

David Hopkin
