Dear Michele

**A585 Windy Harbour to Skippool Improvement Scheme**  
**Reference TR010035**  
**Applicant's Submission at Deadline 6a**

Please find enclosed, in accordance with the updated Examination Timetable, the Applicant's submissions to the Examining Authority at Deadline 6a, namely:

- Responses to the ExA's Additional Written Questions and requests for information – ExQ3 (Document reference TR010035/APP/7.26)

As discussed, we have not enclosed any of the other documentation previously requested by the Examining Authority to be submitted at each deadline on the basis that that they are not required and, given the short period between Deadlines 6 and 6a, there are no updates to those documents.

Yours sincerely
