Dear Mr & Mrs Senior (representing Mr Litherland)

A585 Windy Harbour to Skippool Improvement Scheme ("the Scheme")

I refer to our previous correspondence and recent meeting in connection with the above matter.

As you are aware, Highways England needs to acquire land from you in order to implement the Scheme, comprising plots 4/13 and 4/13a. You have indicated that you are prepared to enter into discussions regarding Highways England purchasing your land by negotiated agreement.

Following further engagement with your adjoining landowners, it has been requested that Highways England make various changes to the Scheme within the vicinity of your land. These changes would require additional land to be acquired from you. The proposed changes include:

- Provision of a link to the main farm land with the plot to the north-east of Culvert 1 as the bypass severs the northern land parcel
- Construction of a farm access track 3.5m wide within a nominal width of 5.5m
- Provision of accommodation fencing on the north side of the access track
- Provision of farm gates at both ends of the access track
- Provision of an accommodation culvert (0.9 metre diameter) across the ditch to the north-east of Culvert 1

The enclosed drawing (HE548643-ARC-LLO-SZ_ZZ_000_DR-D-3125) shows the total area of your land Highways England would need to acquire to implement the Scheme including the proposed changes.

The changes to the extent of the land to be acquired from you are as follows:

Plot	Current Proposal	Proposed Change
4/13a	Temporary Possession	<p>Increase area from 86 to 173 square metres</p> <p>Change from Temporary Possession to Permanent Acquisition</p>

To summarise, with the proposed changes Highways England would like to permanently acquire from you a total of 279 sq m. This compares to our current proposal to permanently acquire 106 sq m of land and temporarily possess a further 86 sq m. This proposed change is as discussed at our meeting on 26th March 2019.

Please can you confirm by return that you are agreeable to the abovementioned change and Highways England purchasing the land from you by signing and returning the enclosed copy of this letter?

If you have any queries about this correspondence, please do not hesitate to contact me using the details provided below. Alternatively, you can contact the Public Liaison Officer for the Scheme, Helen Batey (Helen.Batey@arcadis.com, 01925 800833). I will look forward to hearing from you.

Yours sincerely,

David Hopkin
