30 August 2019

Dear Sirs,

A585 Windy Harbour to Skippool Improvement Scheme ("the Scheme")

I refer to our previous correspondence in connection with the above matter.

As you are aware, Highways England needs to acquire the following plots of land, which our records show you have an interest, in order to implement the Scheme. These include plot 1/05.

Following further engagement with various statutory bodies, Highways England has been requested to make changes to the Scheme, including construction of a dwarf wall and widening of the northern footway/cycleway from Skippool Road. The dwarf wall will provide flood protection and the widening of the footway/cycleway will accommodate the diversion of utilities. The proposed changes are shown on the enclosed drawing (HE548643-ARC-LLO-SZ_ZZ000DR-D-3017).

You will see that, in order to carry out the changes, Highways England will need to vary the extent of the land you are shown to have an interest in, namely:

Plot	Current Proposal	Proposed Change
1/05	Permanent Acquisition	Increase area by 69 square metres

Please can you confirm by return that you are agreeable to this change by signing and returning the enclosed copy of this letter?

I will look forward to hearing from you.

Yours sincerely,

David Hopkin

Project Manager, A585 Windy Harbour to Skippool Improvement Scheme

Email: A585WindyHarbourToSkippool@highwaysengland.co.uk

To: Highways England

I confirm my consent to Highways England the proposed changes set out above and to the acquisition of my interests in the abovementioned plots.

Signed:

.....
