**Subject:** A585 Windy Harbour to Skippool Proposed Improvements - Our Client B Cocker

Dear Sirs

We refer to the above and your request for confirmation of notification of acquisition of permanent rights.

We are principally concerned with the acquisition of permanent rights which lies to the south of Garstang Road East at the present time the only information we have has been a plan showing 3 areas where we are told that the rights will be for a UU pipe diversion. At the present time we do not have any further details in terms of the length or width of these easements.

We therefore request further details on the nature and extent of the rights to be acquired.

We look forward to hearing from you.

Yours sincerely
