**A585 WINDY HARBOUR TO SKIPPOOL DEVELOPMENT CONSENT ORDER 2020  
THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT)  
REGULATIONS 2017**

**NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING  
DEVELOPMENT CONSENT FOR EIA DEVELOPMENT**

The Secretary of State for Transport (“the Secretary of State”) gives notice under regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 that a determination has been made on an application made by Highways England (“the Applicant”) for development consent under the Planning Act 2008 (“the 2008 Act”) for Environmental Impact Assessment development.

The Order would grant development consent for a 4.85km long dual 2-lane carriageway bypass from Windy Harbour Junction to the Skippool Junction on the A585. It would incorporate four new junctions and also include three new major structures including the replacement of Skippool Bridge, Lodge Lane Bridge and Grange Footbridge.

The Secretary of State has determined, following consideration of the report of the Examining Authority which conducted an examination into the Application, that development consent should be granted and has decided, therefore, to make an Order under sections 114, 115 and 120 of the 2008 Act.

The statement of reasons for deciding to make an Order granting development consent, which has been prepared by the Secretary of State under section 116 of the 2008 Act and regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017, containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main features to avoid, reduce and offset any major adverse effects of the development and information regarding the right to challenge the decision and the procedures for doing so, is published on the Planning Inspectorate’s web-site:
