Dear Case Team,

I would be grateful if you would permit a Queen Camel Parish Council representative to attend this Hearing and submit an oral representation about the three issues that most concern this Council, viz.

- the impact on local roads of congestion on the A303, especially during the construction phase
- the proposed design of Hazelgrove Junction
- the retention of (mainly) the carriageway of the existing A303 as a local road running parallel to the new dual carriageway.

I would be grateful if you would acknowledge receipt of this email.

With many thanks and best wishes

Patrick
