A303 S	parkfor	d to Ilchester – Accompanied Site Inspection Sign-in Sheet	6

1 Introduction

The purpose of this document is to set out the locations the Applicant considers the Examining Authority may wish to visit as part of an Accompanied Site Inspection (ASI).

For safety and practicality reasons, we cannot accommodate more than 20 people in total on the ASI.

2 Itinerary

The proposed itinerary for the Accompanied Site Inspection (ASI) is provided in Table 2.1 below, and will take place on Tuesday 19th February 2019.

The Applicant will bring relevant plans submitted as part of the Development Consent Order, including the environmental masterplan (APP-107) and photomontages (APP-124).

The ASI will involve the use of a minibus (to be provided by the Applicant to accommodate the attendees of the site visit) but will include some walking. The Applicant will provide hi-vis jackets / vests and would suggest that everyone attending be encouraged to use these. Please ensure that sturdy footwear is worn as the inspection will include some walking on muddy, uneven or wet ground, and clothing suitable to the weather conditions is worn.

Table 2.1 Proposed itinerary for the ASI

Timings	Table 2.1 Proposed itinerary for the ASI		
A 09:30 arrival for a 10:00 departure Haynes Motor Museum	_	Timings	Description
for a 10:00 departure Haynes Motor Museum is proposed as the meeting point for the ASI. The museum is happy for attendees to leave their vehicles in the car park for the duration of the site visit, and there will not be a parking charge. The museum's facilities include a café and bathrooms should attendees need to use these prior to the site visit. A compulsory site briefing and introductory remarks from the Applicant and Planning Inspectorate will take place at 09:30. Mini-bus leaves at 1000 sharp. B			
departure for the ASI. The museum is happy for attendees to leave their vehicles in the car park for the duration of the site visit, and there will not be a parking charge. The museum's facilities include a café and bathrooms should attendees need to use these prior to the site visit. • A compulsory site briefing and introductory remarks from the Applicant and Planning Inspectorate will take place at 09:30. • Mini-bus leaves at 1000 sharp. B 1005 – 1020 15 mins C 1025 – 1040 15 mins Walk around site and listen to existing traffic noise C 1045 – 1105 15 mins Blackwell Road Park in driveway of property owned by the Hewlett's along Blackwell Road and walk along Blackwell Road near proposed accommodation works sites. R	1645	Haynes Motor Museum – close.

Appendix A Sign-in sheet

A303 Sparkford to Ilchester – Accompanied Site Inspection Sign-in Sheet

Please sign below to confirm you have read and understood the disclaimer, and to ensure we have accurately recorded the attendees.

Safety instructions: This site visit will take place along the A303, a busy main road and on local country roads, many of which are national speed-limit with poor forward visibility and no footpath. Please take care. A safety briefing will be provided before we leave Haynes Motor Museum. Please listen to this and follow the advice provided. You will be provided with a high-visibility vest which must be worn at all times when out of the vehicle. When stopping on a live road, a mini-briefing will be provided before attendees exit the vehicle, which will include where to stand and how to remain to safe. All attendees must follow instructions given to them by staff. All attendees must follow the instructions provided within the risk assessment. All attendees are responsible for their own safety and must never act in a manner that might reduce the safety of themselves or others.

Please sign below to confirm you have received the site safety briefing, have received a risk assessment and will follow the safety instructions above.
