1 Schedule of Application Documents and Plans

- 1.1.1 A schedule of application documents and plans is provided in Table 1.1 below. This table shows which documents will be affected by the proposed changes to the redline boundary for the Order being requested by the Applicant. Where a document is not affected by the proposed changes, 'no change' has been stated.
- 1.1.2 The proposed amendments to the redline boundary would not result in any changes or additional consents / licences being required, and the proposed changes would not cause an impediment to securing any of those consents / licences required as part of the scheme.
