# 1 Guide to the Application

## 1.1 Purpose of this document

- 1.1.1 This document provides a guide to Highways England’s A303 Sparkford to Ilchester Dualling Development Consent Order (DCO) application. The original application was submitted to the Planning Inspectorate on 27 July 2018 and accepted for Examination by the Examining Authority on 23 August 2018.
- 1.1.2 Since the DCO submission a number of the original application documents have been revised and new documents produced, and this will continue throughout the DCO Examination. This guide provides a list of the latest documents submitted at Deadline 5.
- 1.1.3 This is a live document and will be updated throughout the rest of the Examination period and submitted for each deadline.

## 1.2 Master document list

- 1.2.1 For ease of navigation the documents included in the Master Documents List are grouped by volumes as listed within Table 1.1.
- 1.2.2 The Master Document List within Table 1.2 provides a full list of all documents submitted to date, indicating the latest version of the document which has been submitted as part of the application or has been submitted to the Examination. Superseded versions are listed below this, shaded grey.

Table 1.1: DCO application volumes

Volume	Overview
1. Application Form / Information / Background	The completed application form and an introduction to the scheme.
2. DCO Plans	These include plans that illustrate the location of the Scheme, the proposed works, the land that will be acquired or used, and engineering details.
3. Draft Development Consent Order	This is the document that sets out the legal powers that Highways England is seeking to enable it to build, operate and maintain the Scheme, together with a separate document, the Explanatory Memorandum, explaining the provisions of the Order.
4. Compulsory Acquisition Information	Documents setting out in tabular form the land to be acquired or used, and reports justifying the seeking of compulsory acquisition powers over this land.
5. Consultation Report	The Consultation Report and associated annexes relevant for the specific DCO.
6. Environmental Impact Assessment Information	An assessment of the likely significant effects (both positive and negative) of the Scheme on the environment and a description of mitigation measures proposed to reduce any negative impacts.
7. Other Documents	Additional documents that support the DCO application; these are not legally required but provide useful information on the case for the scheme.
8. Statements of Common Ground	Statements of Common Ground with key statutory bodies / stakeholders.
9. Examination Submission	New documents submitted to the Planning Inspectorate.
