Dear Sir/Madam

**Application by Highways England ("the Applicant") for an Order granting
Development Consent for the A303 Sparkford to Ilchester Dualling**

**Request for comments from the applicant and other addressees on the application
for the proposed A303 Sparkford to Ilchester Dualling**

I write further to a letter from the Secretary of State for Transport (dated 5th November 2019) setting out a number of issues on which the Secretary of State would be grateful if Highways England could provide further clarification and information on. Sedgemoor District Council were copied into this letter as an interested party.

I can confirm that Sedgemoor District Council has no comments to make on the areas of clarification sought. We note that Somerset County Council and South Somerset District Council are the host authorities and have previously input extensively into the DCO process.

Yours faithfully

Andrew Reading
