1. We request that Charles Birch as the agent for Big Sky Developments Ltd., and Stuart Bizley from Big Sky Developments Ltd be able to attend whichever of the Open Floor Hearing, Compulsory Acquisition Hearing and Issue Specific Hearing might be required for the Ex.A. to be able to discuss any issues arising from the loss of Older Children's recreation space and Formal open space resulting from the scheme.

We presume this will be the Issue Specific Hearing, but we are available at request

2. **Comment on Plot 7/7d**

The Applicant has assured Big Sky Developments Ltd that they will try to restrict the use of the area referred to as plot 7/7d and remove their welfare facilities as soon as possible.

We understand this may not be known until the Secretary of State's decision when the detailed design will be completed and can be confirmed.

It would be helpful if the Ex.A could ensure the Applicant doesn't omit to remember this commitment.
