Open Floor Hearing 2

All Interested Parties are invited to attend, but it would assist the running of the hearings if notice could be given to the Inspectorate's Case Team (A47A11thickthorn@planninginspectorate.gov.uk) of a wish to participate prior to the hearing by **Friday 25 February 2022**.

If you do not have access to email, you can contact the Case Team on 0303 444 5000 or write to the Case Team to confirm your participation at the postal address above. Please address any letter to the 'A47-A11 Thickthorn Junction Case Team', including the case reference TR010037 and a contact telephone number. Postal communications must also be received by the Planning Inspectorate by Friday 25 February 2022.

Each Interested Party is entitled to make oral representations at hearings. However, this is subject to the Examining Authority's (ExA) power to control hearings.

The Arrangements Conference will commence 30 minutes prior to the start of each hearing to enable a prompt start. Hearings will finish as soon as the ExA deems that all those present have had their say and that all matters have been covered. The agenda is for guidance only. It is not designed to be exclusive or exhaustive. The ExA may add other issues for consideration, may alter the order in which issues are considered and will seek to allocate sufficient time to each issue to allow proper consideration of them. Any lack of discussion of a particular issue at a hearing does not preclude further examination of this issue, including the asking of further written questions.

Every effort will be made to ensure that the issues will be discussed on the days that they are scheduled for. Should the consideration of the issues take less time than anticipated, the ExA may conclude the Hearing as soon as all relevant contributions have been made and all questions asked and responded to. If there are additional matters to be dealt with or there are submissions that take a considerable amount of time at any Hearing, there may be a need to continue the session for longer on the day. Alternatively, it may be necessary to prioritise matters and defer others to written submissions.

Please Note: There is no fixed agenda for the Open Floor Hearing.
