1	INTRODUCTION.....	1
2	SCHEDULE OF PLANS IN THIS APPLICATION DOCUMENT.....	2

1 INTRODUCTION

- 1.1.1. These Works Plans (these “Plans”) relate to an application made by Highways England (the “Applicant”) to the Secretary of State of Transport, via the Planning Inspectorate (the “Inspectorate”) under section 37 of the Planning Act 2008 (the “2008 Act”) for a Development Consent Order (DCO). If made, the DCO would grant consent for the A47 North Tuddenham to Easton Scheme (the “Scheme”).
- 1.1.2. The Scheme aims to relieve congestion, reduce journey times, encourage economic growth and improve our customers’ experience along the section of the A47 between North Tuddenham and Easton, west of Norwich, with a new dual carriageway running south of the existing A47 at Hockering and to the north of the existing A47 at Honingham. A detailed description of the Scheme can be found in Chapter 2 ‘The Proposed Scheme’ of the Environmental Statement (ES) (TR010038/APP/6.1). These Plans cover the Scheme in its entirety.
- 1.1.3. These Plans comprise part of the suite of application documentation and is included in the application for a DCO in compliance with Regulations 5(2)(j) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the “2009 Regulations”), which require:
- (j) *“a work plan showing, in relation to existing features –*
 - i. *the proposed location or (for a linear scheme) the proposed route and alignment of the development and works; and*
 - ii. *the limits within which the development and works may be carried out and any limits of deviation provided for in the draft order” 5(4) “where a plan comprises three or more separate sheets a key plan must be provided showing the relationship between the different sheets.”*
- 1.1.4. These Plans are also being submitted under Regulation 5(4) of the 2009 Regulations which states:
- 5(4) “where a plan comprises three or more separate sheets a key plan must be provided showing the relationship between the different sheets”.*
- 1.1.5. As these Plans are part of the application documentation, they should be read alongside and are informed by the other application documentation. In particular, the Plans should be read alongside Schedule 1 of the Draft DCO (TR010038/APP/3.1) and the Engineering Drawings and Sections (TR010038/APP/2.7).

2 SCHEDULE OF PLANS IN THIS APPLICATION DOCUMENT

This drawing should not be relied on or used in circumstances other than those for which it was originally prepared and for which Sweco UK Ltd was commissioned. Sweco UK Ltd accepts no responsibility for this drawing to any party other than the person by whom it was commissioned. This drawing has been prepared on behalf of Galliford Try by Sweco UK Ltd for the titled project or named part thereof and should not be relied upon or used for any other project without an independent check being carried out as to its suitability and prior written authority of Galliford Try being obtained. Sweco UK Ltd accepts no responsibility or liability for the consequences of this drawing being used for a purpose other than the purposes for which it was commissioned. Any person using or relying on this drawing for such other purpose agrees, and will by such use or reliance be taken to confirm his/her agreement, to indemnify Sweco UK Ltd for all loss or damage resulting therefrom.

NOTES
