

Hi Eleanor

Highways England consulted the District Council in February of 2020 and we provided views on the proposed scheme at that time (under ref. DC/20/0786/CON). From my review of that earlier consultation request and the general requirements of the legislation/regulations, I have no reason to doubt the adequacy of the consultation undertaken and compliance of Highways England with their duties under sections 42, 47 and 48 of the Act.

I trust that is helpful.
