Dear James,

I would like to confirm that Stephen Faulkner (Acting Strategic Planning Team Manager), David Cumming (Strategic Transport Team Manager) and Alice Craske (Project Support Officer) (myself) would like to register our attendance at the preliminary meeting (03.08.21) to represent Norfolk County Council; our representatives to speak will be Stephen Faulkner and David Cumming.

The below shows a list of the agenda items and issues we would like to speak against:

1. Item 4: Initial Assessment of Principal Issues
2. Items 5: Draft Examination Timetable
 - Resource / Staff implications of holding Examination hearings in August, November and early January;
 - Logistics of timetabling this Examination along with the other two A47 DCO Examinations occurring concurrently – Blofield to Burlingham NSIP and Thickthorn NSIP - this will stretch staff resources at NCC;
 - Lack of detail in the draft timetable regarding issues being discussed at the Issue Specific Hearing dates and difficulty in allocating particular staff to these dates.

There will be a separate Norwich Western Link representative attending on behalf of the Norfolk County Council team promoting the NWL.

If you have any queries please feel free to contact me.

Best wishes,
Alice
