Dear Sir

I wish to notify you of Mr Meynell's wish to attend or part attend the ASI scheduled for W/c 15 November 2021, by himself and with representatives.

Mr Meynell would in particular wish to attend the ASI at the Applicant's proposed Stop 2 (Berry Hall Estate) and Stop 5 (north of Wood Lane junction) by himself and with representatives (in relation to both of which he has lodged comments with proposals for itineraries at those locations)

Might he inform the Ex A on seeing any further drafts of the proposed ASI itinerary, whether he wishes to attend any other parts?

Yours faithfully
George Josselyn
