1 INTRODUCTION

- 1.1.1 The Development Consent Order (DCO) application for the A47 North Tuddenham to Easton scheme was submitted on 15 March 2021 and accepted for examination on 12 April 2021.
- 1.1.2 This document is submitted in accordance with question Q5.0.13 of the Examining Authority's First Written Questions (ExQ1) at Deadline 2, then as updates at subsequent Examination deadlines.
- 1.1.3 This Schedule identifies the status of negotiations with affected land interests including where permanent and temporary possession of land is sought, as well as rights to land. Where land interests are also entering into a Statement of Common Ground (SoCG) and/or negotiating Protective Provisions/Asset Protection Agreements this is detailed below. In addition, this Compulsory Acquisition Schedule also provides an update on the status of the Applicant's negotiations with the relevant Crown Authorities in relation to obtaining consent pursuant to section 135 of the Planning Act 2008.
- 1.1.4 With regards the status of engagement with those listed in this document, it is acknowledged that they have all been consulted as part of the consultations held during 2020, with Section 42 letters and a section 48 notices served under the planning act 2008, and issued Section 56 notifications in 2021 unless stated otherwise.
- 1.1.5 This Compulsory Acquisition Schedule, in Table 1.2, details discussions that are ongoing with all stakeholders with Category 1 and Category 2 land interests. The Applicant has grouped these interested parties into categories depending on the current status of negotiations; the categories are listed in Table 1.1 below.

Table 1.1: Allocation of Category 1 and 2 interested parties based on status of land negotiations

Agreements Category	Total Number
SECTION 1 – No agreement required	145
SECTION 2 – Agreement completed	50
SECTION 3 – No agreement in place but Heads of Terms agreed	153
SECTION 4 – Engagement / negotiation underway leading to development of Heads of Terms	84103
SECTION 5 – Parties contacted and invited to commence negotiation of Heads of Terms	158
SECTION 6 – Highway frontages or adjoining landowners	465
SECTION 7 – Persons with a Category 2 interest only	30

1.1.6 The status descriptions are further clarified below:

- SECTION 1: No agreement required
- SECTION 2: Acquisition concluded or Option Agreement signed and exchanged.
- SECTION 3: Heads of Terms agreed but no agreement signed yet.
- SECTION 4: Heads of Terms in Negotiation – a detailed update is given regarding negotiations underway in order to develop Heads of Terms and/or alternative terms for a voluntary agreement, distinguishing between negotiations with landowners and occupiers. No agreement yet in place.
- SECTION 5: This relates to land interests that the Applicant has contacted in order to commence negotiations of Heads of Terms and to seek to reach agreement with as many interests as possible prior to the end of the Examination.
- SECTION 6: This relates to those landowners who have historic title ownership up to the centre-line of the relevant highway by virtue of their location fronting or adjoining the highway.
- SECTION 7: This relates to landowners that fall within Category 2 of the Book of Reference, Revision ~~2, (REP1-008)4~~, to be submitted for Deadline 9 and are not listed alongside a specific landowner currently in discussion with the Applicant as a result of other interests in the Scheme land.

1.1.7 In the Schedule:

- Column A identifies the name of the land interest as listed in the Book of Reference.
- Column B identifies the reference number assigned to each Relevant Representation (RR) in the Examination library.
- Column C identifies the reference number assigned to any Written Representation in the examination library.
- Column D identifies the category of interest of the Landowner.
- Column E identifies whether the Applicant is proposing the acquisition of permanent, temporary or new rights in the land.
- Column F identifies the Part of the Book of Reference where the interest is listed.
- Column G identifies the latest position in the negotiations.
- Column H identifies the status of the voluntary agreement in accordance with Table 1.1.
