Dear Alison Down

Further to the letter that was sent to the County Council dated 7 February 2018 I apologies for the delay in replying. This letter was only received by me yesterday. The reason for the delay in receiving the letter is that an old address for the County Council was used, please note that we no longer have offices at Castle Court.

In future it would be best to address correspondence to Graham Hughes Executive Director Place and Economy  
Cambridgeshire County Council  
Box No SH1316  
Shire Hall  
Castle Hill  
Cambridge  
CB3 0AP

Graham will then be able to pass on the letter to the most appropriate officer. We are in the process of developing a list of key areas and contacts within the County Council which will be shared with key partners so that the correct officers can be contacted quickly.

I have not be able to review the Environmental Statement in any detail but at the moment we do not have any comments on this.

Kind regards

Jack
