

Submission ID: 7201

Wansford Parish Council would like to propose two changes to the Interim Assessment of Principal Issues:-

6. Geology and Soils. Add "6.2 Geotechnical Risk particularly in the area of the slopes adjacent to the River Nene."

12. Cumulative and Crosscutting effects. Amend 12.2 to read "12.2 Whether the Proposed Development adequately balances the effects on cultural heritage, ecology, flood risk, geotechnical risk and cost."
