Dear Mr Boswell

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 17

Application by National Highways for an Order Granting Development Consent for the A47 Wansford to Sutton Dualling Project

Request for further information

I write under Rule 17 of the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) in response to your letter dated 24 May 2022.

Whilst the Examining Authority (ExA) appreciates your personal circumstances, it is noted that Climate Emergency Planning and Policy (CEPP) has made representations on other Nationally Significant Infrastructure Project (NSIP) Examinations since the Examination for the A47 Wansford to Sutton Dualling project began on 11 January 2022.

Therefore, the ExA advises that if you wish to make a submission at Deadline 8 (14 June 2022), this should relate to matters outstanding at this Deadline. Please find the types of submission expected at Deadline 8 in the [Exam Timetable](#) tab of the project web page.

I am publishing your letter, redacted in relation to personal information, and this response on the project page in the interests of openness and transparency.

Yours sincerely

Robert Jackson
