1 INTRODUCTION

1.1 Purpose of this Document

- 1.1.1 This Statement of Commonality for Statements of Common Ground (“this Statement”) relates to an application made by National Highways (“the Applicant”) to the Planning Inspectorate (“PINS”) under Section 37 of the Planning Act 2008 (“PA 2008”) for a Development Consent Order (a “DCO”). If made the DCO would grant consent for the Applicant to undertake the A47 Wansford to Sutton Scheme (“the Scheme”). A detailed description of the Scheme can be found in the ES Chapter 2 The Proposed Scheme (**REP2-010**).
- 1.1.2 This Statement has been prepared to provide the Examining Authority (ExA) with the current position on Statements of Common Ground (SoCG) between National Highways and prescribed consultees, statutory undertakers and interested parties (“other parties”) in relation to the Scheme.
- 1.1.3 This Statement also provides a current position on the commonality on specific points raised in each of the SoCG at Examination Deadline 8 (14 June 2022).

2 STRUCTURE OF STATEMENTS OF COMMON GROUND

- 2.1.1 To ensure consistency in the approach taken to documenting matters agreed, matters subject to further negotiation or matters not agreed, each SoCG adopts a standard format in order to provide clarity to other parties and ultimately the ExA.
- 2.1.2 Each SoCG has the following structure:
- Section 1: provides an introduction to the SoCG and a description of its purpose.
 - Section 2: states the engagement that has occurred between the Applicant and the other Party.
 - Section 3: sets out any issues that have arisen, reporting on the status of each issue, i.e. whether it is agreed, still under discussion or not agreed, and any remaining actions.
 - Appendices which contain any relevant document not forming part of the application that are referenced in the SoCG (e.g. emails / meeting notes / data).

3 LIST OF STATEMENTS OF COMMON GROUND

- 3.1.1 The Applicant was requested by the Examining Authority (Annex B to the Rule 8 letter dated 18 January 2022) to provide final signed versions of SoCGs with a number of parties by Deadline 3 (1 March 2022).
- 3.1.2 The Applicant has been in discussions with those parties, and others, and further detail about the current position of each SoCG can be found at Chapter 4, Table 4-1 of this Statement. The position with each SoCG is summarised in this document.
