Subject: RE: NSIP: A47 B2NB - Adequacy of consultation request

Good afternoon Jake

Thank you for your email below and attached letter seeking a view from us in respect of the adequacy of the consultation exercise undertaken on the Burlingham to Blofield stretch of the A47 improvements. On behalf of Breckland Council I can confirm that the authority considers it has had adequate opportunity to submit comments upon this proposal.

Best wishes

Stephen Scowen
