Dear Sir / Madam

Further to the notification received from Highways England dated 23 February 2021 informing the Coal Authority that the above Project was accepted for examination by the Inspectorate, I can confirm that the project site (Drawing No. HE551490-GTY-HGN-000-DR-CH-30000 Revision P01 – Location Plan Regulation 5(2)(o) lies outside the defined coalfield, therefore the Coal Authority have no specific comments / observations to make on this proposal.

In the spirit of efficiency of resources and proportionality, it will not be necessary for you to consult the Coal Authority at any future stages of the Project. This letter can be used as evidence for the legal and procedural consultation requirements.

Kind regards
