The Historic Buildings and Monuments Commission for England (HBMCE) is better known as Historic England, and we are the Government's adviser on all aspects of the historic environment in England - including historic buildings and areas, archaeology and historic landscape. We have a duty to promote conservation, public understanding and enjoyment of the historic environment. We are an executive Non-Departmental public body and we answer to Parliament through the Secretary of State for Digital Culture, Media and Sport.

Comments on Deadline 1 Documents:

A 'Statement of Common Ground with Highways England and Historic England' (Volume 8, 8.6) has been submitted with the Deadline 1 documents. It should be noted that this is a draft Statement of Common Ground which has not yet been agreed by Historic England. We will be working to agree a Statement of Common Ground with the Applicant prior to Deadline 3.
