The Historic Buildings and Monuments Commission for England (HBMCE) is better known as Historic England, and we are the Government's adviser on all aspects of the historic environment in England - including historic buildings and areas, archaeology and historic landscape. We have a duty to promote conservation, public understanding and enjoyment of the historic environment. We are an executive Non-Departmental public body and we answer to Parliament through the Secretary of State for Digital Culture, Media and Sport.

**Comments on Deadline 4a Documents:**

Historic England has considered the revised documents included as part of the Request for a Non-Material Change to the Application submitted at Deadline 4.

We consider that the proposed amendments would not result in any additional positive or negative impact on designated heritage assets. Our previous advice and recommendations remains valid.

Dr James Albone
