1 INTRODUCTION

1.1 Purpose of this Document

- 1.1.1 This Statement of Commonality for Statements of Common Ground (“this Statement”) relates to an application made by Highways England (“the Applicant”) to the Planning Inspectorate (“PINS”) under Section 37 of the Planning Act 2008 (“PA 2008”) for a Development Consent Order (a “DCO”). If made the DCO would grant consent for the Applicant to undertake the A47 Blofield to North Burlingham Scheme (“the Scheme”). A detailed description of the Scheme can be found in the ES Chapter 2 The Proposed Scheme (**REP4-017**).
- 1.1.2 This Statement has been prepared to provide the Examining Authority (ExA) with the current position on Statements of Common Ground (SoCG) between Highways England and prescribed consultees, statutory undertakers and interested parties (“other parties”) in relation to the Scheme.
- 1.1.3 This Statement also provides a current position on the commonality on specific points between SoCG at Examination Deadline 5 (19 October 2021).
- 1.1.4 This Statement will be updated and submitted at subsequent Examination Deadlines as necessary.

2 STRUCTURE OF STATEMENTS OF COMMON GROUND

- 2.1.1 To ensure consistency in the approach taken to documenting matters agreed, matters subject to further negotiation or matters not agreed, each of the SoCG adopts a standard format in order to provide clarity to other parties and ultimately the ExA.
- 2.1.2 Each SoCG has the following structure:
- Section 1: provides an introduction to the SoCG and a description of its purpose.
 - Section 2: states the engagement that has occurred between the Applicant and the other Party.
 - Section 3: sets out any issues that have arisen, reporting on the status of each issue, i.e. whether it is agreed, still under discussion or not agreed, and any remaining actions.
 - Appendices which contain any relevant document not forming part of the application that are referenced in the SoCG (e.g. emails / meeting notes / data).

3 LIST OF STATEMENTS OF COMMON GROUND

- 3.1.1 The Applicant has begun to prepare SoCGs with a number of other parties it considered beneficial to do so following acceptance to Examination.
- 3.1.2 SoCG with further specific parties were also requested by the ExA through the Rule 6 letter dated 27 April 2021.
- 3.1.3 The other parties which the Applicant has prepared SoCG with are listed in Table 3-1 below. Further detail about the current position of each SoCG can be found at Chapter 4, Table 4-1 of this Statement.
