A47 Blofield to North Burlingham: Draft Development Consent Order (dDCO)

Schedule of drafting changes for dDCO Deadline 8

07 December 2021

1. The following tables has been prepared by the Applicant to set out the changes made to the Draft Development Consent Order (**dDCO**) from that submitted with the application to the Planning Inspectorate on 30 December 2020 (Rev 0).
2. It is submitted together with:
 - a. Revised dDCO (**TR010040/APP/3.1 Rev 6**) (clean), and
 - b. A comparison version of the dDCO showing all changes between Rev 5 (**REP7-007**) and the new Rev 6 (**TR010040/APP/3.1 Rev 6**).
3. The changes are made principally to reflect drafting errors, corrections to technical details, amendments to works descriptions and the inclusion of additional parties that require consultation for the approval of the scheme's works in the dDCO submitted with the application.

Table 1: Summary of changes made to the dDCO Rev 1 submitted at Deadline 1 (REP1-006) from the dDCO submitted with the application for development consent (APP-016):

Table 2: Summary of changes made to the dDCO (Rev 2) submitted at Deadline 3 (REP3-004) from the dDCO (Rev 1) submitted at Deadline 1 (REP1-006):

Article/Schedule	Change	Reason for change	Precedent used	Consequential changes
Article 2: Interpretation	The definition of "commence" has been amended to delete reference to "diversion and laying of underground apparatus".	This amendment is in response to Question 1.8.7 of the Examining Authority's First Written Questions. The Applicant's answer accepted that these words should be removed from the dDCO.	N/A	N/A
Schedule 2, "Requirements" "Archaeological remains" Requirement 9	The words "and the Historic Buildings and Monuments Commission for England" has been included at the end of requirement 9.	This amendment requires the undertaker to consult the Historic Buildings and Monuments Commission for England (Historic England) when preparing a written scheme of investigation of areas of archaeological interest and has been	N/A	N/A

Article/Schedule	Change	Reason for change	Precedent used	Consequential changes
		requested by the Historic England.		
Schedule 2, "Requirements" "Details of consultation" Requirement 18	The words "10 business" have been deleted and replaced the number "28".	Stakeholders who are to be consulted under the requirements have asked for a period longer than 10 business days to respond to consultation. The amendment increases the time period to 28 days .	N/A	N/A
Schedule 3: "Classification of Roads etc" Part 6: "Footpaths, Cycle Tracks, Footways and Bridleways" "The rights of way and access plans – sheet 5"	Include a new entry in the table stating in column 1 (Parish) "Lingwood and Burlingham" and in column 2 (Length of Footpath/Cycle track/footway/Bridleway): "Reference F9 to F10 A footway in the verge on the northern side of Main Road from point FP9, at the eastern side of the private access to the Old College, in an easterly direction to point F10 (sheet 6), a distance of 96 metres."	Footway FP9 to F10 was shown on the rights of way and access plans, but was omitted from Schedule 3 in error.	N/A	N/A
Schedule 3: "Classification of Roads etc" Part 6: "Footpaths, Cycle Tracks, Footways and Bridleways"	Amend the entry relating to cycle track SU7 to SU8 to: (1) After the word "from point SU7," delete the word "at" and add the words "96 metres east of"; and	The description of Cycle Track SU7 to SU8 did not take into account footway FP9 to FP10 which was	N/A	N/A

Article/Schedule	Change	Reason for change	Precedent used	Consequential changes
"The rights of way and access plans – sheet 6"	(2) After the words "a distance of" delete the number "352" and replace it with the number "255"	shown on the rights of way and access plans. Note that Point SU7 is being moved slightly to the west on the revised right of way and access plans submitted at Deadline 3 so that the cycle track is coterminous with Main Road.		

Table 3: Summary of changes made to the dDCO (Rev 3) submitted at Deadline 4 (REP4-007) from the dDCO (Rev 2) submitted at Deadline 3 (REP3-004):

Contents section of the dDCO on page 2.	Article 45 relating to 'Appeals under the Control of Pollution Act 1974' has been removed from the contents section of the Order.	This was removed from the content section as it was removed from the overarching dDCO following requests for justification from the Examining Authority (ExA).	N/A	Articles 46 to 51 in the Contents Section now have revised numbering.
Article 10, Consent to transfer benefit of Order	The reference to article 50 for arbitration in para 10 (6) was amended to article 49 as a result of the removal of Article 45 in the dDCO which renumbered the rest of the articles in the Order.	The removal of article 45 resulted in renumbering of the Order.	N/A	This change is replicated in the following places: Article 21 (6) ('Protective Works'); Paragraph 7(4), 7(5),

Article/Schedule	Change	Reason for change	Precedent used	Consequential changes
				8(1), 10(3)(b) of Schedule 9 relating to Protective Provisions; Paragraph 17(4), Part 2 of Schedule 9 for the Protective Provisions; and Paragraph 27, Part 3, Schedule 9 relating to the Protective Provisions for Anglian Water.
Article 15(2) (Street Works)	Amendment of the word "streetworks" to "street works"	To correctly refer to the heading of Section 51 of the New Roads and Street Works Act 1991	N/A	N/A
Article 20(1) (Discharge of water).	Deletion of the words 'watercourse or any public sewer' and 'watercourse or any public sewer'	The change has been made as the ES states that there will be no proposed connections to public sewer systems or watercourses.	N/A	Deletion of references to "public sewers and "water courses" throughout Article 20."
Article 28(10) (Private rights over land).	Addition of a comma between "agents" and "contractors"	This was amended at the inspectors request to ensure grammatical errors in the Order were corrected.	N/A	N/A
Article 28(10) (Private rights over land).	Amendment of "order land" by capitalising the "o" - amended to "Order Land".	This was amended at the inspectors request to ensure grammatical	N/A	N/A

		errors in the Order were removed.		
Article 33(8)(b) relating to temporary use of land for carrying out the authorised development	The sub-article was amended to remove reference to "any part of the subsoil of or airspace over that".	The provision was amended to clarify that for temporary possession land, this article does not allow the subsoil or airspace to be acquired permanently. What may be acquired is limited to rights in the land set out in Schedule 5, or rights in only the subsoil or airspace of that land.	N/A	N/A
Article 45 (Appeals relating to Control of Pollution Act 1974)	Deletion of Article 45	This was removed following a query from the ExA.	N/A	The remaining articles in the Order have been renumbered to take into account the deletion of this article.
Schedule 1, (Authorised Development), Work Nos. 14A, 14B, 23 and 27	In relation to each Work, the deletion of the work "footpath" and its replacement with the word "cycle track".	This relates the amendment on the rights of way plans of certain lengths of footpath to cycle track.	N/A	N/A
Schedule 1, (Authorised Development), Work No. 17A	Amendment of "cycletrack" to "cycle track".	The amendment was made to reflect the defined term "cycle track" in the order	N/A	N/A

Article/Schedule	Change	Reason for change	Precedent used	Consequential changes
Schedule 1, (Authorised Development), paragraph (d)	Deletion of the words "pumping stations" and "outfalls".	Following comments from the Inspector the applicant has reconsidered what may be required as part of the scheme. The applicant may need pumping equipment, but this is likely to be temporary in nature and not to constitute a pumping station. Similarly the Applicant does not consider that there will be an "outfall".	N/A	N/A
Schedule 2 (Requirements), paragraph 1 (interpretation)	The addition of a definition of "lead local flood authority" as follows: "has the same meaning as in section 6 (other definitions) of the Flood and Water Management Act 2010".	This has been included in the Order to allow reference in other articles to their consultation.	N/A	N/A
Schedule 2, 'Requirements', Environmental Management Plan Requirement 4(1)	<p>(1) After the words Environment Agency the deletion of the word "and" and its replacement with the following", the"</p> <p>(2) After the words "local highway authority the addition of the words "and the lead local flood authority"</p>	This is to add a requirement to consult with the lead local flood authority (as requested by them.	N/A	N/A
Schedule 2, 'Requirements', Environmental Management Plan	(1) After the words "relevant planning authority" the addition of the words "the Environment Agency"	This is to add a requirement to consult with the Environment Agency and the lead	N/A	N/A

Schedule 2, 'Requirements', Landscaping Requirement 5(2)	The deletion of the words "in requirement 5".	The reference to requirement 5 is not required.	N/A	N/A
Schedule 2, 'Requirements', Surface and foul water drainage Requirement 8(1)	After the words "Environment Agency" the deletion of the word "and".	This was revised at the request of the Environment Agency	N/A	N/A
Schedule 2, 'Requirements', Surface and foul water drainage Requirement 8(1) and (2)	After the word "surface" the deletion of the words "and foul".	This reflects the fact that here is no foul water drainage system contained in the final scheme,	N/A	N/A
Schedule 2, 'Requirements', Surface and foul water drainage Requirement 8 (1) and (2) Schedule 2 (Requirements),	(1) After the words "relevant planning authority" the insertion of the words "and the lead local flood authority". (2) After the words "on matters related to" the deletion of the word "its function" and its replacement by the words "their functions".	(1) This was revised at the request of the lead local flood authority. (2) This reflects the fact that more than one body may have its functions affected.	N/A	N/A

Article/Schedule	Change	Reason for change	Precedent used	Consequential changes
Schedule 2, 'Requirements', Surface and foul water drainage Requirement 8(2)	After the words "consultation by the undertaker with the" the insertion of the words "Environment Agency and the"	This was revised at the request of the Environment Agency	N/A	N/A
