Re ; Application by National Highways for an Order granting Development Consent for the A47 Blofield to North Burlingham Project

**Date:**

09 May 2022 15:43:44

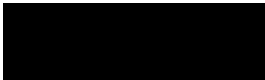

---

Dear Sir or Madam,

Thank you for consulting the Forestry Commission on the proposed A47 Blofield – North Burlingham project. As the Government's forestry experts we endeavour to provide as much relevant information to enable the project to reduce any impact on irreplaceable habitat such as Ancient \ semi natural Woodland as well as other woodland.

Having examined the Project documents I find that there are no ancient woodlands within or adjacent to the Project work area. Furthermore, the loss of the north ends of woodland shelterbelts south of the proposed line is sufficiently compensated for by the proposed tree planting as visual screening and biodiversity net gain. The Forestry Commission therefore has no comment to make on the Project.

Yours sincerely,

Local Partnership Advisor
