Dear Dee

**Great Yarmouth Third River Crossing - Reference TR010043
Notice of Acceptance of Application for a Development Consent Order by
the Secretary of State**

I am emailing to advise you that a Section 56 notification letter in relation to the above scheme, which was previously issued to a S56(2)(d) consultee, has been returned to us as undelivered. As a result of diligent enquiries, we have identified a new contact address and propose to re-issue two further notification letters to this new address during the week commencing 22 July 2019.3

It is intended that these new notifications will state an extended deadline for Relevant Representations of 23:59hrs on 28 August 2019.

Before issuing these new notifications, I would be grateful if you could advise whether the Planning Inspectorate is happy to receive Relevant Representations from these parties (either using the online form or as a paper copy) should they be received prior to this extended deadline but after the originally stated deadline of 4 August 2019.

Kind regards, Vicky
