

Application by Norfolk County Council for an Order Granting Development Consent for the Great Yarmouth Third River Crossing

Itinerary for Accompanied Site Inspection (ASI)

Date: Tuesday, 19 November 2019
Time: Meeting at 9:00am, Departure at 9:15am
Meeting Place: Great Yarmouth Railway Station

Requested Attendees

Interested Parties (IPs) requested to attend the ASI include representatives of the Applicant, GYPC, Perenco and ASCO together with other IPs (or their representatives), who informed us of their intent to attend the site inspection by 5 November 2019.

Examining Authority's itinerary for an Accompanied Site Inspection

In the itinerary references to the sites are not exclusive but indicate what the Examining Authority (ExA) would like to see at this stage.

Please note that the ExA's inspection of sites is not an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Clothing

It will be necessary for all parties to wear appropriate sturdy footwear and weatherproof clothing. It is recommended that participants bring and wear high visibility jackets when walking on the public highway.

Joining the site inspection

It is not possible to predict precisely how long each part of the inspection will last. Parties wishing to join the inspection should attend the meeting place in good time. The ExA will not wait for parties who are not present at the meeting place at the notified time. Parties intending to join en

route should notify the Planning Inspectorate, giving a contact telephone number.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Notifications

The event notification of 17 October 2019 gave a deadline of 5 November to register an interest to attend.

Anyone who has registered to attend should provide contact details for the day and ensure the Planning Inspectorate is made aware of any special access requirements for any participants.

Cancellations

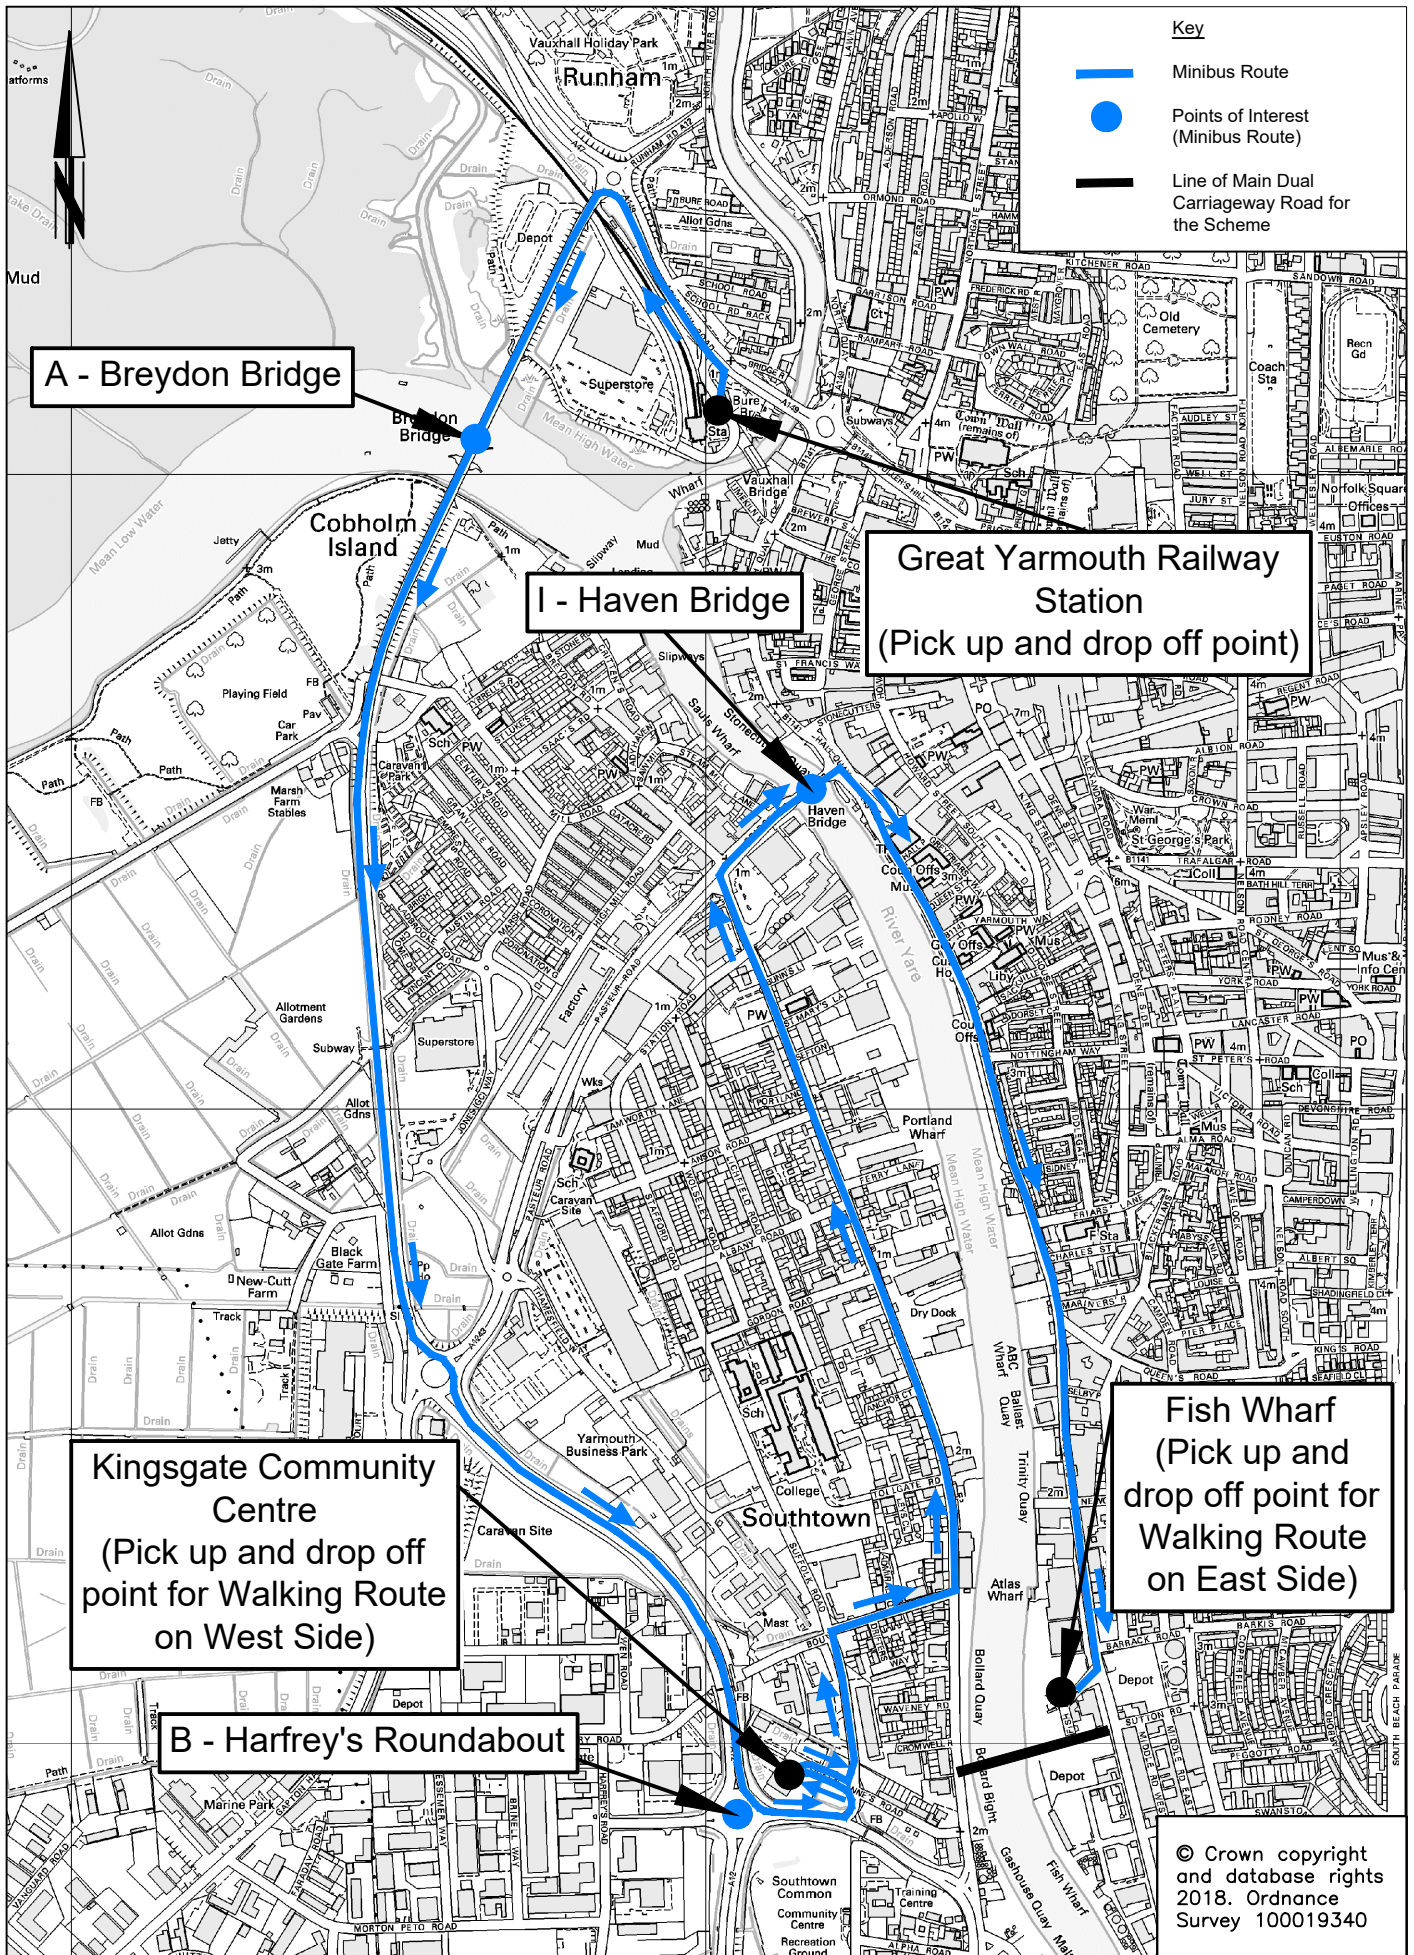

Please note that in the unlikely event that these accompanied site inspections are cancelled due to unforeseen circumstances we shall endeavour to contact attendees beforehand, but we would advise that you should regularly check the Planning Inspectorate's website which can be viewed here:
