(ExQ2)

Dear Sir/Madam,

10th January 2020

Great Yarmouth Third River Crossing Development Consent Order application: Response to Examining Authority's Second Written Questions (ExQ2)

Great Yarmouth Borough Council has reviewed the Examining Authority's Second Written Questions (published on 18th December 2019).

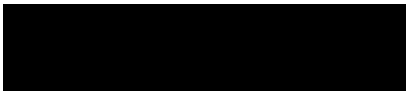

In response to Question 2.0.2, the Council is satisfied with the increase in the determination period from 6 to 8 weeks for the discharge of certain details.

In response to question 2.0.3, the Council is happy with the requirement for it to be consulted by the County Planning Authority on the details of various specified structures set out in the table below paragraph 5 of Schedule 2 of the latest draft Development Consent Order. As a minor point, paragraph 5 of the dDCO would benefit from the inclusion of the word "with" in the following part: "...following consultation **with** Great Yarmouth...".

The Council does not wish to respond to any other questions.

If there are any queries about this response, please contact me.

Yours faithfully,

Adam Nicholls
Head of Planning and Growth
