Dear Dominic Young,

### **Application by Norfolk County Council for an Order Granting Development Consent for the Great Yarmouth Third River Crossing**

#### **Marine Management Organisation (MMO) response to Deadline 7**

The MMO is an Interested Party (IP) for the examination of Development Consent Order (DCO) applications for Nationally Significant Infrastructure Projects (NSIPs) in the marine area.

The MMO has an interest in this project because the development includes the construction of a new double-leaf bascule bridge over the river Yare, with associated licensable activities occurring both over and within the marine environment. The DCO application includes a Deemed Marine Licence (DML) under Section 65 of the Marine and Coastal Access Act 2009 (MCAA 2009) and should consent be granted for the project, the MMO will be responsible for monitoring, compliance and enforcement of DML conditions.

In accordance with the deadlines specified under the Examination Timetable for the proposed Great Yarmouth Third River Crossing, I am writing to provide the MMO's response to Deadline 7.

Deadline 7 consists of:

- Responses to request(s) under Rule 17 (if relevant)
- Comments on Applicant's preferred DCO
- Comments on updated Negotiations Tracker
- Comments on RIES (if relevant)
- Applicant's amended Application documentation incorporating the requested changes into the Scheme (if accepted)
- Comments on any additional information/submissions received by D6
- Responses to any further information requested by the ExA

Of these items, the MMO considers the following relevant for inclusion in this response:

**1. Comments on Applicant's preferred DCO**

1.1. The MMO has reviewed Document NCC/GY3RC/EX/069: Applicant's Revised draft Development Consent Order (tracked) – Revision 4 and approve the changes made. The changes to the draft DCO/DML have been accurately record in Document NCC/GY3RC/EX/070: Explanation of Changes to Revision 4 of the Draft DCO. The MMO have no further comments on the draft DCO/DML.

**2. Comments on any additional information/submissions received by D6**

2.1. The MMO has reviewed NCC/GY3RC/EX/074: Update to Outline Code of Construction Practice and agree with the changes made. The MMO has no further comments on the Outline Code of Construction Practice.

2.2. The MMO has reviewed Document NCC/GY3RC/EX/067 Appendix J: Statement of Common Ground with Marine Management Organisation at Deadline 6 and agree with the document contents. All matters have been agreed; no matters remain under discussion. The SoCG has been signed by Paul Kirk, Senior Case Manager, on behalf of the MMO.

The MMO reserves the right to modify its present advice or opinion in view of any additional matters or information that may come to our attention.

If you would like to discuss any specific matter further or require additional clarity, please do not hesitate to contact me directly.

Yours sincerely,

Adam Tillotson  
Marine Licensing Case Officer
