# 1 Introduction

## 1.1 Purpose of this document

- 1.1.1 This Guide to the Documents to be Certified (this Guide) is provided in relation to the A428 Black Cat to Caxton Gibbet improvements (the Scheme). Highways England (the Applicant) has submitted an application under Section 37 of the Planning Act 2008 for an order to grant development consent for the Scheme.
- 1.1.2 The purpose of this Guide is to help the Examining Authority and interested parties understand the draft Development Consent Order (DCO) through identifying the latest version of any document that it is to certify. It also aims to help the Examining Authority and interested parties understand the parameters for implementing the DCO and how it will be implemented.
- 1.1.3 This Guide has been submitted with the application and will be updated where necessary throughout the Examination to confirm:
- a. Any revised versions of any application documents, and / or
  - b. Any additional documents produced since submission of the application that would be certified documents were the Secretary of State for Transport to grant development consent on the basis of the DCO as drafted at the point of issue of this Guide.
- 1.1.4 The documents identified in Table 2-1 replicate those listed in Schedule 10, 'Documents to be Certified' in the draft DCO [TR010044/APP/3.1].

## 2 Guide to the documents to be certified

- 2.1.1 **Table 2.1** sets out a master document list of the Documents to be Certified by the Secretary of State.
- 2.1.2 This table records the documents included in the DCO application, in addition to any new documents submitted at the Examination Deadlines set by the Planning Inspectorate.
- 2.1.3 The table tracks the latest version of the documents submitted to date, indicating either the latest revision (if applicable) or when a new document was submitted, with previous superseded versions to be greyed out.
