Subject: A428 Black Cat to Caxton Gibbet Statement of Community Consultation
Attachments: DRAFT Statement of Community Consultation POST PRA.docx

Dear Andrew and Melanie,

Following our informal consultation on our draft Statement of Community Consultation (SoCC) for the Highways England A428 Black Cat to Caxton Gibbet scheme in February, we are now consulting on the updated document (attached). This is a formal 28-day consultation (Section 47 consultation) and we are inviting comments between now and Wednesday 10th April 2019.

We would be particularly interested in feedback on the aspects listed below, but would welcome any other feedback you have on our proposed statutory consultation activities.

- Our proposed consultation zone (page 13)
- Our proposed consultation techniques and materials (pages 6 to 8)
- Our proposed event locations and dates (page 6)
- Whether there are any local bodies or representative groups who should be consulted

If you would like to organise a meeting or phone call during this consultation period on the SoCC to discuss our plans in more detail, please let me know. Please copy A428BlackCat@aecom.com into all correspondence.

If you have any queries, please feel free to get in touch with me on the details below.

Many thanks in advance and best regards,

Attachments: DRAFT Statement of Community Consultation POST PRA (amended).docx

Dear Stephen,

Please see below for a request for feedback on the draft Statement of Community Consultation for the A428 Black Cat to Caxton Gibbet improvements scheme, forwarded on to you following a request from Claire Spencer. Could you please provide comments on behalf of Cambridge City and South Cambridgeshire District Councils? If you could make it clear which comments relate to which council, it would be much appreciated.

Many thanks in advance and best regards,

Subject: RE: A428 Black Cat to Caxton Gibbet Statement of Community Consultation

Hi Joanna

Thanks for the clarification. Whilst you are correct that I have been representing the two Councils at officer level and we do have a shared planning service, given that we are now in a formal stage of the DCO process I suggest it would be appropriate for each Council to be consulted individually. The two Councils are separate local planning authorities with their own administrations and Member processes to adhere to. I suggest that

correspondence should be addressed to Stephen Kelly, Joint Director for Planning and Economic Development for Cambridge and South Cambridgeshire.

Kind regards
Claire

Hi Claire,

Excellent, thank you.

It was my understanding that you previously represented both Cambridge City Council and South Cambridgeshire District Council on the Technical Working Group and that the contacts copied in here represented both councils (as a result of the shared planning services). If that's not quite right and there is someone else at Cambridge City Council that should be consulted on this document, please let me know.

Best,

Hi Joanna

Noted, we will refer to this version of the SoCC.

Please can you confirm whether you have consulted Cambridge City Council?

Kind regards
Claire

G5 Email to Huntingdonshire District Council for SoCC consultation

From: van der Veen, Joanna
Sent: 12 March 2019 15:24
To: 'Lockley, Nick (Planning)'; Clara Kerr
Cc: 'Implementation' <Implementation@huntingdonshire.gov.uk>; A428BlackCat <A428BlackCat@aecom.com>; Mayes, Samantha
Subject: A428 Black Cat to Caxton Gibbet Statement of Community Consultation

Dear Clara and Nick,

Following our informal consultation on our draft Statement of Community Consultation (SoCC) for the Highways England A428 Black Cat to Caxton Gibbet scheme in February, we are now writing to consult you on the updated document (attached). This is a formal 28-day consultation (Section 47 consultation) and we are inviting comments between now and Wednesday 10th April 2019.

We have taken into account the comments you submitted during our informal consultation on the SoCC. However, we have decided to keep the description of consultation topics covered in the 'Current consultation - why and when' section (page 5) broad as we will be inviting feedback on a wide range of aspects of the Scheme. The consultation booklet and Preliminary Environmental Impact Report that will form part of our statutory consultation materials will cover the aspects listed in your feedback (e.g. noise and wildlife impact), and there will be an opportunity to comment on them as part of the statutory consultation period later in the year. We are hoping to produce a visual illustrating the DCO process, as you suggested. If you have any further queries or concerns about these points, please let me know.

During this round of consultation on the SoCC, we would be particularly interested in feedback on the aspects of the statutory consultation listed below. However, we would also welcome any other feedback you have on our proposed activities.

- Our proposed consultation zone (page 13)
- Our proposed consultation techniques and materials (pages 6 to 8)
- Our proposed event locations and dates (page 6)
- Whether there are any local bodies or representative groups who should be consulted

If you would like to organise a meeting or phone call during this consultation period on the SoCC to discuss our proposed consultation and the SoCC in more detail, please let me know. Please copy A428BlackCat@aecom.com into all correspondence.

If you have any queries, please feel free to get in touch with me on the details below.

G6 Email to Milton Keynes Council for SoCC consultation

From: van der Veen, Joanna
Sent: 12 March 2019 15:27
To: Ishwer Gohil
Cc: A428BlackCat <A428BlackCat@aecom.com>; Mayes, Samantha
Subject: A428 Black Cat to Caxton Gibbet Statement of Community Consultation

Dear Ishwer,

We are writing to consult with you on the draft Statement of Community Consultation (SoCC) for the Highways England A428 Black Cat to Caxton Gibbet scheme, on which we plan to hold a statutory consultation later this year. This consultation on the SoCC is a formal 28-day consultation (Section 47 consultation) and we are inviting comments between now and Wednesday 10th April 2019.

Although Milton Keynes does not fall within our red line boundary for the scheme, we are interested in getting your views as our modelling shows that Milton Keynes will benefit significantly from the scheme.

We last consulted on the scheme in March and April 2017, where three options for the route and three options for the Black Cat roundabout were presented to the public. Since then, we have been reviewing the results of the consultation and carrying out important route development work. We announced our preferred route on 18 February 2019.

We would be particularly interested in feedback on the aspects listed below, but would welcome any other feedback you have on our proposed activities.

- Whether there is a suitable information deposit point in Milton Keynes – potentially the council's offices
- Our proposed consultation zone (page 13)
- Our proposed consultation techniques and materials (pages 6 to 8)
- Our proposed event locations and dates (page 6)
- Whether there are any local bodies or representative groups who should be consulted

If you would like to organise a meeting or phone call during this consultation period on the SoCC to discuss our plans in more detail, please let me know. Please copy A428BlackCat@aecom.com into all correspondence.

You can also find out more about the scheme on our website (www.highwaysengland.co.uk/a428).

If you have any queries, please feel free to get in touch with me on the details below.

Many thanks in advance and best regards,
