Dear Ms. Patten

**A428 Black Cat to Caxton Gibbet - Road Improvement Scheme**

**Adequacy of Consultation Request**

Thank you for contacting Suffolk County Council.

Page 57 of Appendix J of the Consultation Report states that Suffolk County Council is a consultee, as a Category D Local Authority, sharing a border with Cambridgeshire County Council

We can confirm that we were consulted in 2019 for Pre-Application advice, and again in July 2020 for amendments to the proposed scheme, as a neighbouring county.

We are satisfied with the level of consultation that we have received and wish to continue to be kept informed of this proposal.

Yours sincerely,

Georgia Teague
