FAO: Examining Authority

Dear Ms Sahai, Mr Parkin, and Mr Scriven

Both Chris Todd, Director of Transport Action Network, and myself would like to register to attend the Preliminary Meeting on 10 August and the ISH on 18 Aug. Chris Todd is copied into this email.

We also have a couple of queries about both PH1 and the ISH1. Will the ISH1 on 18 Aug cover climate change, or will this be covered elsewhere in the Examination? We also have concerns whether there will be enough time to cover all these topics in one afternoon at the ISH1. It is our understanding that the Examination should start *the day after* the Preliminary Hearing, and we are concerned that one afternoon may not be enough time to properly consider these issues.

Yours

Rebecca Lush
Local Campaigns Support Officer
