Dear George

Thank you for your assistance this afternoon.

I confirm that I do not need to reserve a space to give oral representations at either the Preliminary procedural hearing on 10th August or in the Open Floor Hearing on 19th August.

I confirm that I do request an accompanied site inspection and the best location to meet is at Top Farm buildings as shown below. These are about 100 m from the proposed road alignment and in the centre of the Little Barford estate.

See extract from Sheet 5 General Arrangement Plans and a location plan

I also confirm that I wish to retain the right to appear at an Issue specific Hearing and at a Compulsory Acquisition Hearing.

Yours sincerely,

Jeremy Procter

Dear Mr Procter,

I am writing to you in respect of the submissions you have made on behalf of The Executors of N A Alington at Procedural Deadline A for the above scheme.

I note that you have requested attendance at the Preliminary Meeting Part 1, Open Floor Hearing (AM session), and at a Compulsory Acquisition Hearing. I would be grateful if you could please confirm whether the intention is to speak at any of these events, and also confirm the names and contact details of all those who are proposing to attend each event on behalf of The Executors of N A Alington. This will allow us to effectively resource the number of parties likely to attend the virtual event, as all participants must be sent joining instructions via email in advance.

If you wish to speak at the Preliminary Meeting Part 1, please also refer to Annex A of the [Examining Authority's Rule 6 letter](#) and inform the case team of which agenda items you propose to speak against.

If you do not propose to speak at the events, please note that the events will be livestreamed for all Interested Parties and the general public to watch. The livestream for all events will be made available via the [A428 Black Cat to Caxton Gibbet project page](#). The livestream will begin on the day of the event at the start time as noted within the [Examining Authority's Rule 6 letter](#) under Annexes A and E. Following the Preliminary Meeting (and Issue Specific Hearing), there will be an opportunity to make written submissions in response to any matters raised at these events; in particular, Procedural Deadline B relating to matters following Preliminary Meeting Part 1.

I note that you have also requested an Accompanied Site Inspection (ASI). I would be grateful if you could confirm whether you have any site nominations for the ASI. If not, and you are only intending to attend an ASI, please note that it will not be an opportunity to discuss the proposed development or its merits with the Examining Authority. Any areas of concern should be covered under any site nominations (please refer to the [Planning Inspectorate's Advice Note 8.5](#) for further information). It is typical that the Examining Authority may only invite those participants that have submitted nominations to attend an ASI, however this is at the discretion of the Examining Authority.

Please do let me know if you have any queries regarding the above.

Kind regards,

George Harrold
