Dear Christian,

Many thanks for your email, and for confirming who will be attending the events.

For the avoidance of doubt, you have currently registered to attend the Preliminary Meeting on 10 August and Issue Specific Hearing on 18 August as an observer, and have registered to speak at the morning Open Floor Hearing on 19 August.

Please note that the Examination of the scheme will be predominantly a written process, and there will be an opportunity for parties to submit a Written Representation at Deadline 1 of the Examination. Please refer to the [Examining Authority's Rule 6 letter](#) (in particular Annex D therein) for further information regarding the Examination Timetable.

If it transpires that you no longer wish to speak at the Open Floor Hearing, I would be grateful if you could advise the case team as soon as possible by contacting A428.Blackcat@planninginspectorate.gov.uk.

If you do not have any intention of speaking at any of the events, and instead intend to make written submissions following the events, we would encourage you to follow the livestream. The livestream for all events will be made

available via the [A428 Black Cat to Caxton Gibbet project page](#). The livestream will begin on the day of the event at the start time as noted within the Rule 6 letter under Annex A and E.

Please do not hesitate to let me know if you require any further information.

Kind regards,

Dear George,

I will be the only attendee. Please use my contact details below.

Save for those meetings at which I have asked to be an observer only, It may be that my client decides to rely on written representations only rather than addressing a hearing. May I ask how much notice you will require if we wish to change our status to be merely an observer at any of the hearings which we have currently registered to talk at?

Kind regards

Christian
