As Bidwells, we act on behalf of the Executors of N A Alington who own the Little Barford Estate. We assume we fall within Class A as the road will sever the estate and as such there will be significant land take. Our letter informing us of the Preliminary meeting did not include a reference number.

We formally request access to the Preliminary Meeting Part 1, a separate Accompanied Site Meeting and a Compulsory Acquisition Hearing. We also reserve the right to appear at an open floor hearing.
