

Submission ID: 4216

The Exors of N A Alington propose the following itinerary for the ASI at Top Farm:

1. Assessment of access to Top Farm from under East Coast mainline
2. Assessment of access to Top Farm from Potton Road
3. Assessment of currently proposed A428 bridge to Top Farm
4. Assessment of A428 proposed permanent / temporary land take and environmental mitigation
5. Assessment of A428's impact on existing natural and manmade drainage
6. Discussion of Executor's proposal for land take and environmental mitigation
