1 Chapter 11 Noise and Vibration Errata

- 1.1.1 This document has been prepared by the Applicant to detail errata in Chapter 11 Noise and Vibration **[APP-080]** of the Environmental Statement for the A428 Black Cat to Caxton Gibbet improvements Scheme, related submissions to PINS by the Applicant at Deadline 1 and Issue Specific Hearing 2 held on 23 September 2021.
- 1.1.2 Paragraphs 11.3.18, 11.6.17 and 11.6.25 of Chapter 11, Noise and Vibration **[APP-080]** of the Environmental Statement refer to the year 2016 for the Base Year traffic data. This is a typographical error and should read 2015. The Applicant confirms that the 2015 Base Year traffic data has been used to calculate the predictions set out in Table 11-8 of **APP-080** and that the outcome of the noise model validation process described in paragraph 11.6.23 of **APP-080** is unchanged.
- 1.1.3 Similarly, here there are references to Base Year 2016 traffic data in the following Deadline 1 responses, and these should be read as 2015 (in line with the correction provided for **APP-080**):
- a. Applicant's response to RR-008ay in the Applicant's Response to Relevant Representations **[REP1-021]**.
 - b. Applicant's response to Q1.16.1.1 in the Applicant's Response to the Examining Authority's First Round of Written Questions **[REP1-022]**.
- 1.1.4 Finally, the references made to year 2016 in the discussions under Agenda Item 9a. in Issue Specific Hearing 2 held on 23 September 2021 should be replaced with year 2015.
- 1.1.5 As with Chapter 11, Noise and Vibration **[APP-080]** of the Environmental Statement, the Applicant confirms that the responses and discussions referenced above remain unchanged once these corrections are applied.
