Dear PINS A428 Black Cat team

It is unfortunate that I must advise having attended the CAH1 Hearing to assist the Examining Authority in progression of the two Anglian Water property matters raised in Relevant Rep (RR-004), that the Highways England/ National Highways project team have not made contact with Savills as Anglian Water's property agent.

This would appear to be potentially contrary to the Examining Authority's CAH1 Action Point Note and specifically action point 9 to advise the Examining Authority of progress on all land matters by Deadline 3 (5 October 2021).

Anglian Water and our property agent Savills remain open to progressing an agreement with Highways England/ National Highways on maintaining 24/7 access to these two operational sites.

For ease of reference these two sites relate to access via plots 2/1h, 2/3e & 2/3d and 5/5a & 5/6a set out in the promoter's Book of Reference and acquisition land plans.

Good morning Darl

Thank you for your email. I am not close to these discussions, however I have forwarded your request onto the wider project team.

Kind regards

Vicky

Good morning Laura & Vicky

I have been asked to attend the Compulsory Acquisition Hearing today.

I would welcome Highways England/ National Highways being a position to proactively advise the Examining Authority that discussions have progressed with Savills/ Anglian Water on maintaining access to the two facilities.

Could you update Steve & myself on progress this morning.

Hi Laura

Are you in a position to respond yet on the Eynesbury site and also my clients site at Wyboston referred to in my email below.

There is concern that we haven't heard anything from either yourself or the HE project manager about these matters.

Kind regards

Steve Shelford

Afternoon Laura.

Janelia has forwarded me your email and land plan. For whatever reason it seems we have been waiting for a response from your side for some time.

Janelia has looked at our records for the particular plot you identified (5/5a, 5/6a). This relates to an operational covered reservoir site at Eynesbury. I've attached a copy of our terrier plan by way of confirmation.

As this is an operational site we would appreciate some very early dialogue with the Highways Agency project manager regarding the potential issues surrounding the highways scheme and how this may impact on our client's operations.

Can you please arrange for someone to make contact with both myself and my colleague, Lewis Atton, copied in on this email.

Whilst writing I believe the scheme may also have an impact on other Anglian Water operational land, potentially including the access to my clients site at Wyboston adjacent to the petrol filling station near to the Black Cat roundabout. I would be pleased to discuss this with someone also.

I look forward to hearing the project manager shortly.

Kind regards

Steve Shelford
