**Subject:** A428 Caxton Gibbet to Black Cat Deadline 3 SOCG

Dear Sir/Madam

I am writing to provide an update on the Statement of Common Ground prepared by the applicant for agreement of issues with Historic England. We had a meeting with the applicant just before the Heritage issue specific hearing on 24th September. At this we agreed changes to the wording of the draft SOCG which the applicant would return to us to check the final text and sign so we would be able to submit to the examining authority for deadline 3. The applicant have informed us that they are reviewing the SOCG and have not yet returned the amended version. We are therefore unable to submit the SOCG and are awaiting an update on its progress from the applicant.

I hope this is of assistance. Please do not hesitate to ask if you have any queries relating to this or any other matters.

Sincerely

Historic England
