Date: 02 August 2022 15:24:16

Dear Sir or Madam,

Thank you for consulting the Forestry Commission. Having reviewed Volume 6. 6.1, Environment Statement, Chapter 8, Biodiversity, the Forestry Commission is satisfied that the mitigation measures for the loss of existing woodland, the enhancement measures and the biodiversity net gain of 20.5% are sufficient to compensate for the impacts the road improvement will have on trees and woodland.

The Commission therefore has no further comment to make.

Yours sincerely,

[REDACTED]
