Dear [REDACTED]

**M54 to M6 Link Road
PLANNING ACT 2008 SECTION 47: DUTY TO CONSULT LOCAL COMMUNITY
REQUEST FOR COMMENTS ON THE DRAFT STATEMENT OF COMMUNITY
CONSULTATION**

I am writing to you regarding Highways England's proposed M54 to M6 Link road which involves the construction of a link road between Junction 1 of the M54 and Junction 11 of the M6 in South Staffordshire.

The proposed scheme is identified as a Nationally Significant Infrastructure Project under the Planning Act 2008 (as amended) (the 2008 Act) and therefore we are required to submit an application for a Development Consent Order (DCO) to the Planning Inspectorate ('the Inspectorate'). We intend to make our application for a DCO in Q1 2020.

During the pre-application process, we must consult with the relevant host local authorities on the content of our draft Statement of Community Consultation (SoCC). The SoCC details how and when we will consult the local community and the channels available to respond to our consultation.

Please treat this letter as notice of a request for comments on the contents of our draft SoCC from South Staffordshire District Council in accordance with Section 47(2) of the 2008 Act.

This is an important opportunity for you to share your views on our draft SoCC. We strongly encourage you to provide your views to us; we will take these into account in developing and finalising our SoCC in advance of it being published. We will record how we have considered your views by responding to you directly in writing, and in our Consultation Report which forms part of our application for a DCO to the Inspectorate.

Please respond to this letter with your comments on the draft SoCC by 11.59pm on 7 May 2019.

To aid the process of providing your comments, please find attached a draft SoCC for you to review. Please provide any comments and suggested amendments in track changes, doing this will assist us in ensuring these are recorded and considered.

Please confirm receipt of this letter and the accompanying draft SoCC. If you wish to discuss the content of this letter, please do not hesitate in contacting me using the contact details provided as soon as possible to support provision of your comments by 7 May 2019 as this deadline cannot be extended.

I look forward to hearing from you.

Yours sincerely
