King on the lookout as Brown moves on

TIVIDALE will be looking to bolster their attacking options following the departure of last season's top scorer Demetri Brown.

Brown plundered 40 goals in 48 games last season as Tyvale were crowned champions of West Midlands League Premier Division.

But the 24-year-old front-runner has made the switch to Midland League rivals Worcester City.

Tivi boss Dave King revealed Brown rejected numerous offers to move last season but admitted he was disappointed to see him opt for a move to a club at the same level.

"No disrespect to Worcester but I would like to have seen Demetri go to a higher level rather than a club at the level we will play next season," said King.

"He definitely had clubs from a higher level interested and that was also the case during last season.

"He could have gone a few levels higher but he wanted to stay with us and help us win the league.

"Demetri did really well for us. He scored 40 goals and I would like to thank him for his service and wish him all the best."

King is looking to strengthen his pack for the step up in standard but

FOOTBALL

already has a couple of players who could fill the void left by Brown's exit.

"We are fortunate in that we have Dan Smith who is a proven striker at this level while Tyree Clarke will be back next season," said King.

"Tyree picked up a knee ligament injury in October but he is looking good now and it will be like a new signing for us.

"Most of the lads have decided to stay on but we are looking to strengthen the squad.

"We want to have a good 18-20 players. We have spoken to some players but we won't be announcing any deals until they have signed the forms.

The club have made one addition with Richard Evans-Hadley joining as goalkeeping coach from Halesowen Town, while King is still hunting for a first-team coach.

"We are looking for a first team coach," he said. "We have interviewed five and there are still a couple more to see and then we will make a decision."

Cox shows the way for Walsall

SKIPPER Danny Cox led from the front as Walsall booked their place in the final of the Birmingham League's Williamson Trophy.

And having seen off the challenge of Shifnal in the last four, the Gorway outfit will have home advantage when they take on Barnet Green in the shootout for silverware.

Hosis Shifnal opted to bat first and found themselves struggling on 62-4 despite 38 from Shropshire captain Steve Leach.

Chris Murrell and Chad Brandrick (27) steadied the ship with a 66-run stand, with Murrell going on to end unbeaten on 81 as Shifnal posted 204-8 from their 40 overs. Jordan Bulpitt and Luke Stynes both claimed two wickets.

Cox and Shoab Akhtar (32) got Walsall's reply off to an impressive start with an 88-run opening partnership and it was pretty much plain sailing for the visitors from then on.

James Middleton (46) added 79 for the third wicket, with Cox eventually falling for 79 as his side reached their target for the loss of four wickets in the 39th over.

Barnet Green beat Warwickshire's academy side in a match reduced to 37 overs.

Jacques Banton (77) and Rheedey Amin (95) led Green to 218-5 with the Warwickshire youngsters restricted to 204-8 in reply, of which Dave Burnell contributed 85 from 63 balls.

A date for the final has yet to be confirmed.

Lovatt hunting more success

Sikh Hunters celebrate following their League Cup final success against Worcester Raiders

By Nick Elwell

nick.elwell@mmamedia.co.uk

SIXH HUNTERS won't be able to play the role of underdogs next season as they set their sights on more glory.

Manager Matt Lovatt admits the Hunters will be the hunted when they kick-off their West Midlands League Division One campaign following another hugely successful campaign.

After clinching the Division Two title last year, Hunters maintained their impressive progress with a fourth-placed finish in the level above and then added some more silverware to their collection by beating league champions Worcester Raiders in the League Cup final.

The success means there is no danger of Lovatt's men slipping under the radar anymore.

"As much as I'd like to keep the underdog tag, I don't think that's going to be the case next season," said Lovatt. "We'll have a bit of a target on our backs now and that's a different sort of challenge and one that the players have to get used to."

"I'm sure a few other sides wrote us off before the start of this season but we didn't mind the underdog tag.

"People at the club who know the players felt we were a bit of a dark horse.

"And that proved to be the case as we finished fourth and won the League Cup.

"We had a tough pre-season and I deliberately picked games against some sides from higher levels.

"It was tough in terms of results but I don't think you learn anything about your side from beating teams easily.

"We had to work hard against those sides and I just felt that when we got back to our own level we would be a bit sharper."

Hunters have thrived under the stewardship of Lovatt and his backroom staff of assistant manager Andy Thomas, first-team coach Jay Coyne and goalkeeping coach Shaun Devey.

And now he has designs on adding another chapter to their growing success story.

A sluggish start to the season just gone left them playing catch-up, but the aim is to be up there challenging from the off when action kicks off in August.

"We didn't have the best of starts and that probably cost us the chance of promotion," said Lovatt.

"Worcester Raiders won the league, but we drew with them twice and beat them in the cup final.

"Everything needs to be ship shape and the mistakes lessened next season, but there is no doubt about it, we have

to be aiming for promotion."

It's all a far cry from when Lovatt joined the club and he is quick to praise the backing he has received from the club and his backroom staff.

"I think the team were second from bottom of Division Two when we took over," he said.

"First training session was at the Arboretum in Walsall, nine lads turned up wearing Man United and Liverpool shirts.

"We had no goals so it really was jumpers for goalposts.

"But the club has come a long way since then.

"We finished seventh in Division Two in our first season and lost to title winners Telford Juniors in semi-final of divisional cup.

"We struggled to recruit a keeper all season and I think that cost us a few places.

"Second season, we won the league comfortably and we built on that last season.

"The club have backed me and they deserve great credit for that.

"Our players are well looked after with training kit provided and coach trips to away games.

"And my backroom staff have been brilliant. I couldn't have done this without them.

"They have all worked really hard to help the club achieve success and they deserve plenty of plaudits.

"We are only going one way now."
